

SEWP VI Ordering Guide

Intellizant LLC

Category C – ITC/AV Mission-Based Services (Group C1) · Contract No. 80TECH26D0217

Version 1.0 — October 7, 2026

SEWP Overview

SEWP (Solutions for Enterprise-Wide Procurement, pronounced “soup”) is a multi-award Government-Wide Acquisition Contract (GWAC) for Information Technology, Communication, and Audio-Visual (ITC/AV) solutions and services. Established in 1993 as the first GWAC, SEWP is self-funded through a 0.34% administrative fee built into every order and supports more than 50,000 orders a year for NASA and all other federal agencies.

Intellizant LLC is a prime contract holder on NASA SEWP VI under Category C – ITC/AV Mission-Based Services (Group C1). Final scope for any requirement is determined by the specific delivery order and Intellizant's approved SEWP VI offerings.

Ordering Process

1. Any federal contracting officer or authorized ordering official may use SEWP VI.
2. The customer issues an RFQ through the SEWP Quote Request Tool, or contacts Intellizant's SEWP program manager for a market research quote.
3. Intellizant responds through the SEWP tool.
4. The customer issues the order citing SEWP contract number 80TECH26D0217 and submits it to the SEWP PMO at sewporders@sewp.nasa.gov.
5. The SEWP PMO assigns a SEWP Control Number (SCN). Intellizant will not begin fulfillment before the SCN is assigned.

What's in Scope for SEWP VI

Intellizant's SEWP VI award covers Category C – ITC/AV Mission-Based Services (Group C1). Intellizant does not market, quote, or offer for sale any IT solution not listed under this contract until it is included in the SEWP database of record. The specific scope of services for any requirement is determined by the individual delivery order and Intellizant's approved SEWP VI offerings at the time of quote.

A.1.13 Fair Opportunity and Requests for Quotes

Contractors will be provided a fair opportunity at the individual order level as appropriate per FAR Part 16.505(b), including the SEWP RFQ tools. No documentation for the order selection is required to be submitted with the order. All such documentation is to be maintained by the issuing procurement office.

The Contractor shall not market, quote or otherwise offer for sale, any IT Solutions not listed under this contract, until the said solutions are included in the SEWP database of record, and available to all Government end-users.

If the Government issues a Request For Information (RFI) as part of market research, the Contractor may provide items not yet listed on their SEWP contract as part of a market research quote if:

1. all such items are clearly marked as not yet available on their SEWP contract; and
2. the contractor submits a technology refreshment request to add those products to their contract

If the Government issues a Request For Quote (RFQ) or a Market Research Request (MRR), the Contractor may only respond with items available on their Contract and the price of each item shall be no greater than the price in Attachment F SEWP database of record at the time the quote is issued. If the Contractor has insufficient items on their contract to fully respond to the Formal RFQ, the

Contractor must respond with a No Bid. Unless the RFQ specifically allows for partial quotes, the Contractor must respond fully to all requirements specified in the RFQ.

When submitting a quote to a government end-user, the contractor must clearly state the length of time the quote is valid. The contractor shall honor any order submitted within the stated time period of a quote.

When responding to an RFI or RFQ issued from the NASA SEWP RFQ on-line quoting system, the Contractor must respond as outlined in Attachment C: Contract Holder User Manual (CHUM).

Contract Holders are prohibited from using Government information posted on the NASA SEWP Contract Holder Only Page, such as RFQs, RFIs, etc., for purposes other than proposing on SEWP requirements. This includes Contract Holders providing third parties with SEWP information and requirements for the purpose of assisting companies, that are not SEWP Contract Holders, with providing unsolicited proposals to meet agency requirements already posted to the NASA SEWP RFQ on-line quoting system.
